NonProfits' United

Message From Our CEO

Great partnerships are built on strong foundations. Together, our Membership and NonProfits United staff share ideas, resources, and opportunities to increase profitability and productivity, ensuring the long-term health of the many nonprofit organizations which we actively support.

Pivot: *The ability to quickly change the way in which something is accomplished.*

If 2022 was our year of “transition,” then 2023 was our year to “pivot.” As insurance prices skyrocketed, and insurers left California, NPU was able to increase its auto insurance program members by 10 percent to 220. Simultaneously, we retained our 144 workers compensation members. That doesn't happen by accident. It happens because we are able to respond to the dynamic environment.

We are a small group. We run this company like a family. If a member needs something, we are able to help them. If an employee needs something, we are here for them. NPU is also nimble. We pride ourselves on keeping our overhead low so that we may pass along the benefits to you, our members.

NPU is protective of our clients. We know you, and you know us. We take care of each other. We work diligently to make certain our members feel seen and heard. If we can reduce your costs, you have more

resources available to pivot in your own worlds and do what matters most to your organizations.

We will never be a \$100 million company. That will never be our goal. Instead, we believe in steady growth, as we accomplished in 2023. We are proud to be financially secure, with a 10 percent increase in profitability. We are prouder that we can connect our members with each other, so that you can do the best job possible for the people you do business with across our beautiful state.

Each time we pivot, we see a relationship. NPU is not here to conduct an insurance transaction. We are here to build a future. We are one big family. We want to make certain that what we do resonates with our members.

Thank you for continuing to trust us, as we continue to assist you so that you can be leaders in the not-for-profit community. My sincerest gratitude to our Board of Directors, Trustees, and staff members. On your side for over 35 years.

- Best, Jeffrey Einhorn, CEO

- **Oliver Wyman:**

- **Jill England:**
Our legal counsel
- **Wells Fargo:**
Our investment/banking partner
- **Kaku & Mersino:**

Of course, there are countless others without whom we will not thrive.

To all our sincerest gratitude & may our partnership remain strong for a long time.

Mission Possible

Making & Keeping Our Promises

NPU's mission for more than three decades has been threefold: to be our Members' partner, vendor and counselor. By engaging in time-tested and re-tested pooled-risk coverage, our goal is to help you succeed at providing the help for others to do the same. We firmly believe that solid fiscal management is vitally important to achieve these goals.

Insurance for Nonprofits: It's All About the Numbers and Unity

Even in the often-uncertain universe of insurance, NPU gives nonprofit organizations in California the opportunity to confidently self-insure through two principal programs: our Vehicle Insurance Pool and Workers' Compensation Pool.

Vehicle Insurance

By proactively partnering with our Member-Owners, we see premiums grow and losses minimized since risks are managed together. Unity can be a terrific bargaining chip!

Workers' Comp

Our Workers' Compensation Pool helps Member-Owners prevent injuries, settle claims and return employees to their jobs-with a minimum loss of productivity and impact on your financial resources. Once again, NPU Members reap the benefits of working together and sharing in the savings.

Risk Management Services

We meet regularly with Members to personally evaluate risk exposure and create customized strategies to improve safety and efficiency. In addition to our team of professional evaluators and

industry-certified instructors, we offer an online safety training platform and maintain an up-to-date library which Members can freely access to ensure your programs are in compliance.

Stronger Together

NPU is a long-term player. We are not here for just a single interaction.

We help nonprofits reduce premiums and loss-related expenses, which allows our member-owners to focus greater resources directly on their missions.
