NonProfits' United (NPU) would like to support you and your safety program by awarding you a **\$SAFETY PAY\$** Grant. Our criterion is simple. Members can submit an application requesting reimbursement of a proactive Loss Prevention or Loss Control project within the first quarter of the calendar year, or until our grant funds are exhausted throughout each policy year.

Need ideas? Successful applicants for the **\$SAFETY PAY\$** Grant have utilized this resource for:

- Ergonomic equipment
- Training materials or certifications
- GPS devices
- Wellness/Incentive programs
- Driving monitoring programs
- Protective equipment

Members may apply for approval prior to the expenditure of funds. However, the funding will not be provided until a receipt or paid invoice is submitted to NPU.

Approvals:

- Workers Compensation Group members are eligible for a grant up to \$750.
